Get the Recognition You Deserve. Become a VMware Certified Advanced Professional.

Who should get VCAP certified?

The VMware Certified Advanced Professional (VCAP) program is for IT professionals (administrators, architects and engineers) who design and build VMware solutions (VCAP Design), and manage and optimize VMware solutions (VCAP Deployment).

Why get VMware certified?

VMware Certifications are a badge of honor, designed to validate your expertise and get you where you need to be—proficient today and future-proofed for tomorrow. According to a recent survey[1] of 29,000 certified IT pros, there are many benefits to becoming certified.
